- phpMyAdmin
- Microsoft SQL Server Management Studio
- Figma

About Me

A Business Intelligence and Analytics graduate with strong technical expertise in SQL, PySpark, Python, and ReactJS. Experienced in data mining, analysis, and developing hybrid applications. Currently studying for a part-time degree in applied computing.

Adept at working independently or in teams, with a proven track record of delivering results ahead of deadlines. Demonstrated leadership in managing publicity efforts for my Choir CCA.

Experience

Mindflex Education | Web Developer Intern

Feb 2025 - Present

- Developed app for users to track and view lessons records
- Build the attendance system for app, updating features for viewing lessons records
